PLANS BEING MADE FOR ASC COMMITTEEMEN ELECTION

Plans are now being made for the holding of the annual election of ASC Committeemen, R. E. Rowland, County Office Manager of Jones County Agricultural Stabilization and Conservation Service, advised this week.

The election will be held by mail as has been the case for the past years. For the purpose of the election the County is divided into four communities designated as Communities A, B, C, and D, the boundaries of which correspond to the boundaries of County Commissioner Precinct Numbers 1, 2, 3, and 4, respectively.

The names to be placed on the ballots to be used by producers in voting in each of the four communities will be those nominated by petition signed by six or more eligible voters in the respective community for which the nominee is selected, and those nominated by the incumbent community committeemen as required or

as it is determined desirable. The incumbent County Committee may make such additional nominations as are required or as it determines are desirable.

Nominees selected by petition must be presented to the ASCS Office in Anson not later than August 20, 1963.

All nominees must be eligible and should be willing to serve if elected. It is highly desirable that nominees be currently active farmers or ranchers who are best qualified for community work and who will be representative of the various sections and types of agriculture in the community. If nominees are found to be ineligible such nominees will be notified as to the circumstances which make them ineligible and such nominees will be given the privilege of appealing to the County Committee not later than a date to be specified in the notice of ineligibility.

Ballots for each community, bearing the names of at least six nominees, will be prepared and mailed to all producers of record at least ten days prior to September 10, 1963, the final date by which ballots may be postmarked or returned to the County ASCS Office in person.

The five nominees in each community who receive the highest number of votes will be declared elected. The nominee who receives the highest number of votes in each of the four communities will serve as chairman of the respective community committee and will also serve as a delegate in electing the county committee. The nominees in each community who receive the second and third highest votes shall be declared elected, respectively, vice-chairman and regular member of the community committee. The nominee who receives the fourth and fifth highest number of votes shall be declared elected, respectively, first and second alternate community committeemen.

The newly-elected committeemen will begin their one-year term of office on October 1, 1963.

This election is important to all farmers and ranchers, says Rowland, as committeemen are being called upon to assume more and more responsibility each year in the administration of the varied farm programs.

The incumbent community committeemen are: Community "A"—Larry L. Holmes, Chairman; Tony D. Jones, Vice-Chairman, and James E. McCoy Jr., Regular member. Community "B"—Carl E. Carlton, Chairman; Jack E. Young, Vice-Chairman; and John B. Schoonmaker, Regular member. Community "C"—Mack R. Collins, Chairman; Elbert E. Newton, Vice-Chairman, and J. Willard Sellers, Regular member. Community "D"—Walter H. Kelso, Chairman; Geo. T. (Sam) Washburn, Vice-Chairman, and Frank F. Carter, Regular member.

Pearl Wilson of Abilene was in Hamlin one day this week and visited with friends.

Farm Bureau Sets Rural Area Fire Prevention Program

A two point program to support rural area fire prevention has been inaugurated by the Jones County Farm Bureau in cooperation with the Texas Farm Bureau, Harris Wright, Farm Bureau Service Agent here, announced.

Principal purpose of the program is to improve fire protection in the rural areas, Wright said.

Under the program, the Farm Bureau has agreed to pay \$45 of the \$50 registration fee for a volunteer fireman who attends the Fireman's Training School held at Texas A & M each year.

This program will be sponsored annually by the Farm Bureau, along with the payment of any local fire department of \$75 when answering a call outside the city limits to fight fire involving the property of a Farm Bureau member carrying a fire insurance with Farm Bureau on the property involved, Wright explained.

Girls Attending Summer Camp

Five girls from the First Baptist Church are attending Youth Camp at the Baptist Encampment at Lueders this week. They were accompanied by Rev. and Mrs. Lenard Hartley.

The group left Monday afternoon and will return after closing at noon Thursday. Rev. and Mrs. Hartley were sponsors for a part of the camp and upon their return Mrs. S. L. Tate will be the sponsor.

The girls are Carolyn and Marolyn Reynolds, Elizabeth Cunningham, Christy Wallace and Mary Lois Patterson.

DR. CLIFTON BRANNON
...First Baptist evangelist

First Baptist Revival to Open For Week Sunday

Dr. Clifton Brannon of Longview will be the evangelist for the August 11-18 revival at the First Baptist Church. Services will be held daily at 9:30 a.m. and 8 p.m.

Dr. Brannon, a former lawyer, has been traveling as an evangelist for more than 500 revivals among Southern Baptist Churches in which more than 28,000 new members have been added to the churches. His ministry is made possible by a great Christian layman in High Point, North Carolina.

Mrs. Brannon assists her husband in the revivals. She teaches Personal Soul winning, directs the women in visitation and one service is devoted entirely to her life story.

Evangelist Brannon designed and authored the notes and helps in the Soul Winner's New Testament and the 10 references in the Personal Workers New Testament. More than 600,000 copies of the publication are now in print and predictions indicate that more than a million copies will soon be distributed.

The pastor, Rev. Lenard Hartley, and the congregation extend an invitation to everyone to attend the services.

Summer Band School to Start Here August 19

The annual high school Summer Band School will begin here Monday, August 19, and will run for two weeks, according to an announcement this week by Tim Jones, band director.

The school will start at 8 a.m. each day with the first session to be held at the practice field. The band will march from 8 to 9 each morning and sectional clinics will be held from 9 to 11. The full band will rehearse from 11 to 12.

The summer band students will have a swimming party Tuesday night, August 20 at the Hamlin Swimming Pool starting at 6:30.

Mr. Jones invited any new high school students that have moved to Hamlin during the summer that are interested in being in the band this fall to take part in the summer band.

HOMECOMING QUEEN NOMINEES ANNOUNCED BY EX-STUDENTS

Nominees for Homecoming Queen, have been named by the Hamlin Ex-Student Association officers as plans are now getting into full swing for the annual event to be held September 21.

Letters are being mailed this week to former students telling the schedule of activities and also giving the exes a chance to vote for the candidate of their choice for the queen.

The nominees are Mrs. Carl Holden of Abilene, formerly Hattie Routh of the class of 1917; Mrs. Vancil Mitchell of Midland, formerly Gladys Childers, 1926; Mrs. Weidon

Johnson, formerly Bernice Fairay, 1933; Mrs. Pete Bond, formerly Mavis Smith, 1938; Mrs. Bill Harbert, formerly Jo Anne McCrary, 1945; Mrs. Joe Weir of McAllen, formerly Lupe Cave, 1948; Mrs. Hardy Turnbull of Snyder, formerly Rose Brady, 1951; Mrs. Ray Davis of Greenville, formerly Margot Faye Patterson; Mrs. Kenneth Barnett of Abilene, formerly Linda Carlton.

The Queen will be crowned during halftime activities of the Hamlin-Spur football game Saturday evening at 8 p.m. Other plans include a bonfire and pep rally on Friday evening at 8 at the football stadium. The parade will be held at 11 a.m. Saturday followed by lunch in the high school gymnasium.

The business meeting and program will be held in the auditorium at 1:30 p.m.

The evening meal will be served from 5:30 to 6:30 p.m. in the gymnasium. Coffee and visiting will also be in the gymnasium following the game.

The officers met Monday evening. It was announced that there are still some of the ex-student directories available for \$1.00 with 20c for postage and handling.

Another feature of the Homecoming discussed was the special recognition of former high school queens during the program. Anyone who has been a high school queen and plans to attend is asked to send their name and the year they were queen to the Ex-Student Association, Box 323, Hamlin, Texas, 79520.

The officers are also requesting that correct addresses be sent in to them so that their mailing list will be accurate. If you know of a change of address, yours or some other person's, they ask that you please send it in.

William Leroy Beam will receive a bachelor of science degree in meteorology from the University of Texas school of Engineering August 24. He is one of the 81 candidates for Summer Session bachelor of science degrees.

Hamlin Woman's Father Buried in Rotan Tuesday

Services were held last Tuesday for Ernest W. Cleveland, 76, of Rotan, father of Mrs. LaFoy Patterson of Hamlin. A longtime Fisher County resident and retired farmer, Mr. Cleveland died at his home in Rotan at 10:30 a.m. He had been in ill health with a heart condition for the past two years.

He and his wife, the former Annie Shellenberger, observed their golden anniversary on November 24 last year. Services were held in the First Baptist Church with Rev. V. D. Walters, pastor of North Park Baptist Church of Abilene, and the pastor, Rev. Huron Polnac, officiating. Burial was in Rotan Cemetery.

Survivors include his wife, three daughters, Mrs. Patterson, Mrs. Doris Smith of San Angelo, Mrs. Elvis Elrod of Rotan; two sons, Lincoln of Greenville, Alvis of Dallas; a brother, Sam Cleveland of Rotan; two sisters, Mrs. Elizabeth Davis of Greenville and Mrs. J. J. Holloway of Van Alstyne; 11 grandchildren and two great-grandchildren. One child died as an infant.

139 WELLS DRILLED IN JONES COUNTY DURING PAST YEAR

With oil and gas production worth about \$16 million a year, Jones County citizens have a financial stake in the world wide demand for energy and the complex economic and political problems involving the petroleum industry, according to statistics released this week by Texas Mid-Continent Oil and Gas Association.

"We have pulled together some figures from the most authoritative sources so residents of Jones County can see how local pocketbooks are affected by some of the issues which involve our industry," said J. Clyde Tomlinson, Association president. "Issues of current concern include the proposals to cut percentage depletion rates, extension of federal controls over prices at which Texas producers sell their gas, and development of laws and production methods that will help Texas compete

with other states and nations for markets."

The latest year for which U. S. Bureau of Mines figures are available (1961) shows Jones County producing more than 53 million barrels of crude oil, valued at about \$15.8 million; and 1.7 billion cubic feet of natural gas, with a value of almost \$214.00. Jones ranks 68th among Texas counties in value of oil and gas production. In 1961 there were 1,871 producing wells in the county, according to the Texas Railroad Commission.

Although its first field was discovered 37 years ago, Jones County is the scene for the industry's continued search for oil and gas. Some 139 wells were drilled there last year, with 43 being wildcat exploratory wells, according to the Oil & Gas Journal. The Association estimated that more than \$2.3 million was spent

on drilling in the county this past year and that some \$1 million of this went for dry holes. Close to \$102,000 was spent last year on geophysical crews using seismic devices to probe the underground formations of Jones County for possible drilling locations.

Leasing adds many thousands of dollars to the county's economy. Tabulations by the International Oil Scouts Association show major companies in 1961 were paying rentals on about 16,000 undeveloped acres.

Royalty payments to Jones County farmers, ranchers and other landowners are running at more than \$2 million annually, the Association calculated.

Jones County producers and royalty owners also make a sizable contribution to the support of state government, with production tax payments of

more than \$743,000 a year. Industry taxes are important to the county government and school districts in the county. For instance, 58 per cent of the local property taxes collected for the Hamlin Independent School District comes from oil and gas operators; 31 per cent at Anson; 61 per cent at Lueders.

A sizable impact on the Jones County economy has been registered by petroleum industry payrolls. About one out of every five payroll dollars in the county is derived from employment in oil and gas work, according to figures from the Texas Employment Commission. The industry payroll is more than \$15 million a year.

One natural gasoline plant is operated in the county, handling some 20 million cubic feet of gas a day. There is one refinery with a capacity of 2,500 barrels a day.

Years Ago ...

FIVE YEARS AGO:

Election of a Jones County Farm Bureau Queen and a candidate speaking will feature the gathering Saturday evening of Farm Bureau members and visitors at Anson, it is announced by Charlie Gregory, president of the county unit.

Mrs. W. L. Boyd, injured with her husband in an automobile-truck collision near Haskell on April 27, was moved to the family residence on Southwest Avenue A, Saturday from the Hamlin Memorial Hospital.

The new wire chief for Southwestern Bell Telephone Company at Hamlin is Edward G. Hozmann. He replaces E. W. (Andy) Anderson, who recently was installation foreman at Abilene. Hozmann comes from Midland. He has been with the phone concern for nine years.

TEN YEARS AGO:

New dressing rooms and ticket booths at the Pied Piper Stadium of Hamlin High School, costing \$18,000, will get underway next week by T. E. Shubert and Sons contractors.

Crops in the area are growing fast following recent rains, but now the threat of insects hangs over the crops.

Hamlin telephone workers last Friday participated in a regional vote on strike proposals. The vote overwhelmingly favored the proposal, but

no strike plans have yet been announced. The Herald understands.

FIFTEEN YEARS AGO:

Normal interest is being maintained by voters of the Hamlin territory in the election Saturday.

The Mighty Mice, baseball team composed of Hamlin youths being sponsored by the Veterans of Foreign Wars, has won two out of three games played so far.

Johnnie Agnew, farming southwest of town, brought in the first maize of the season Tuesday. The harvest this summer is expected to be good.

Mrs. Bud Trotter and Priscilla are visiting relatives this week at Odessa.

TWENTY-FIVE YEARS AGO:

Nine Hamlin young men left Saturday afternoon for Fort Sill, Oklahoma, where they will take a month's military training. They were Edwin Tims, Raymond Elkins, James Steed, John Thomas Durham, Durwood Locke, George Dean, Frank Killier and Raymond Garrett.

Mrs. Tom Stapleton and son Byron, of Sparenburg, came Saturday to visit their daughter and sister, Mrs. Van Huling, and family.

Mr. and Mrs. Ray Sneed of Amarillo were visiting friends in Hamlin this week. Sneed formerly was in the compress business at Hamlin.

Little Anna Margaret McBride, daughter of Mr. and Mrs. L. H. McBride, was operated on last Friday for appendicitis at an Abilene Hospital.

FORTY YEARS AGO:

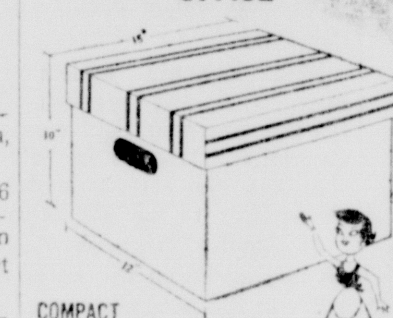

The latest auto sales agency to appear in Jones County is that of the Waggoner Co. in Hamlin. J. J. Waggoner has for a long time held the title of "fussy pill roller" and now he's going in for the new title of "wheel roller". Last week he unloaded a fine lot of Star Cars and one Grant automobile.

Miss Bertha Nobles came home Monday from Knox City where she spent a few days visiting her sister, Mrs. Earnest Schrimshire.

Many homeowners take advantage of summer weather to do repair jobs around the house. But, the Texas Safety Association says "do-it-yourselfers" can get in trouble if they don't really have the know-how or equipment to do repair work properly. If you don't know anything about electricity—don't fool with it. If you can't stop a power saw—don't start it. And, if your ladder isn't strong enough to hold you—don't get on it. Why take chances? Home accidents take thousands of lives in the U.S. each year.

THE DOLLAR YOU SPEND FOR ELECTRICITY BUYS MORE THAN EVER BEFORE

How much is your monthly electric service bill? Probably more than in years past. But that's because you use more electricity today and NOT because the rate is higher.

Truth of the matter is that as the cost of living has gone up and up, the average cost of a kilowatt hour of electricity used in West Texas homes is 17% less than 10 years ago.

But the USE of electricity has increased; many homes today are using twice as much. Using more and getting more customer benefits, for today there are 166 wonderful electric ways to bring more comfort and convenience into the home, to save time and to eliminate drudgery. Use in the long summer months may be even heavier, because of continuous use of air conditioning.

Yes, the dollar you spend for electricity buys more than ever before. It's today's best value, biggest bargain.

PSALMS

VID'S TRUST IN PRAYER

PSALM 23

David's confidence in God's grace.
A Psalm of David.

THE LORD is my shepherd; I shall not want.

He maketh me to lie down in green pastures:

He restoreth me to life, because my soul was low down in hell.

Yea, though I walk through the valley of the shadow of death, I will fear no evil, because thou art with me; thy rod and thy staff, they comfort me.

Thou art my King, O Lord, and thou hast said, I will be merciful unto thee, and I will save thee: because thou art my servant, O Lord, and thou hast said, I will be merciful unto thee, and I will save thee.

Thou art my King, O Lord, and thou hast said, I will be merciful unto thee, and I will save thee: because thou art my servant, O Lord, and thou hast said, I will be merciful unto thee, and I will save thee.

The 23rd Psalm is one of the most

familiar chapters in the Bible. Early

in life, most of us have committed it

to memory. Every once in a while we

should go back to these verses and

think of the wonderful message of

faith and trust in God that they re-

veal to us. They show us that we have

a loving Father, one who will show

us the right paths; one who will

protect and provide for us. These

scriptures end with a note of

thanksgiving and a promise.

"Surely goodness and mercy

shall follow me all the days of

my life, and I will dwell in the

house of the Lord forever."

Plan to start a regular worship

in the Lord's house this Sunday.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

By MRS. ELMER JOINER

Nothing new out this way where the weather and farming is concerned, just dry, and hot, and farmers busy combining maize. This week should finish the maize season for this year, except for the younger feed and if it continues to be dry and hot, that won't be any problem.

Only one visitor was in services Sunday at church, Mrs. Raleigh Bond, one of our good Methodist neighbors attended Sunday night. The next two Sundays will be Revival time and we hope to have

many visitors. Thursday night of this week, the pastor, Rev. and Mrs. Kenneth Leverett, has invited the church to their home in Hamlin, for a prayer service for the revival followed by refreshments and fellowship time.

Mr. and Mrs. Fred Rosenbaum went to Lubbock Sunday to attend the Moss reunion, which is held annually in the McKenzie Park in Lubbock.

The Winslow Grays have had lots of company the past week. Mr. and Mrs. Doyle Gray and son, Los Angeles, California, arrived Thursday night. Saturday night their sister, Mr. and Mrs. Audrey Skipper, from Alvarado, spent the night with them. Sunday the Gray family met at their parents, Mr. and Mrs. E. C. Gray, Anson, for a good old family get together and visit.

Mrs. Kenneth Leverett's mother, and brother, Mrs. Ellen Tanner and Larry, spent the weekend with them.

Visiting Mr. G. W. Wainwright, Sunday, from Brady, a brother D. Wainwright and his son, Mr. Wainwright is still at home, his condition about the same.

Mrs. Flavel Holmes and Mrs. Jack Wright and children, visited Mrs. S. A. Buntin, who lives north of Hamlin, Saturday. She has been ill for some time.

Mr. and Mrs. Buck Joiner and children, Odessa, arrived in Hamlin Saturday night, for a week's vacation, visiting with relatives and friends. They, and Mr. and Mrs. James Brown and children, will spend part of the week at the Brown-

wood lake.

Mr. and Mrs. Clois Henry and children flew over from Snyder, Sunday afternoon for a visit with Mr. and Mrs. E. A. Henry.

Mr. and Mrs. Bill Johnson, frequent visitors to our church from Hamlin, are on vacation in Alabama, visiting her sister, who lives near Birmingham.

Mr. and Mrs. John Beauchamp and Debra, were visitors of the Winslow Grays last Monday night.

Mr. and Mrs. Mel Jones visited with the Elmer Joiners Monday night.

It was with regret that we learned Tuesday of the passing away of Oddis Huling, resident of Hamlin, in the veterans hospital in Big Spring. Oddis was reared in our community and lived here until his parents moved to Hamlin in about 1921, according to our calculations. The many beautiful floral offerings and friends attending the last rites, attested to the fact that he left many friends, who will miss his smiling face when they go to town.

Dorothy Gray, who is attending beauty school in Amarillo, is spending the week at home.

Linda Goodwin has been chosen by the Friendship Home Demonstration Club, to represent them in the Queens contest, at the Jones County Fair, to be held the 23rd and 24th of this month.

Mrs. Lois Hampton, Abilene, attended funeral services for Oddis Huling, Thursday afternoon. Her brother, R. E. Ray, was one of the pallbearers. The Ray and Huling children were reared in our community at the same time.

The Social Security Administration and U. S. Treasury Department suggest that you cash your social security check each month as soon as possible after you receive it. By doing so, you lessen the danger of it being lost, misplaced, or stolen.

If you lose your social security check or have it stolen, be sure to notify your nearest social security office at once. Failure to do so may result in a long delay in receiving a replacement.

SAFETY ASSOCIATION ISSUES 'WATER SAFETY ALERT'

AUSTIN, TEX.—The Texas Safety Association today issued a "water safety alert" warning the public of potential water hazards and citing an apparent increase in drownings.

"Drowning is the fourth leading cause of accidental death in Texas, with approximately 300 fatalities a year," J. O. Musick, TSA General Manager, said.

"Reports for the past six weeks indicate an increase in the number of drownings over the same period last year, and unless water enthusiasts start putting safety first, fatalities will continue to increase."

Noting that many drownings are occurring in lakes, the safety director said anyone planning to swim, boat or water ski on a lake, should familiarize himself with the hazards of that particular body of water.

He also stressed that it is not just the persons who are already "in the water" who drown.

"Nearly two out of three drownings in the nation are non-swimming deaths — people fall into water from rocks, bridges and shores. Small children step into deep water when wading and some fall out or may be thrown from boats," Musick explained.

"Of course, the first and most important thing to do to prevent drowning is for everybody to learn to swim, and if you are going to enjoy water recreation with any degree of safety, this is a must."

He said anyone going "near the water" should remember and practice these basic rules:

1. Keep an eye on small children.
2. Never go swimming alone.
3. Choose a safe place to swim, with clear water—know the depths, tides and currents.
4. Non-swimmers should stay in shallow water.
5. For the home pool or farm pond, build a fence around it with a gate that will lock to protect small children.
6. When launching your boat,

take special precautions to see that the boat does not pull your car into the water before you get it off the trailer.

7. Carry a life preserver for every person in your boat and see that it is worn.

8. Keep right when driving a boat and be courteous to other boatmen.

9. When water-skiing, stay away from all objects, such as docks, sea walls and other boats.

10. Have one extra person in a boat when water-skiing at all times. This person can watch the skier and the driver can watch the traffic.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 5, 1963. SEVENTH JOINT LEGISLATION NO. 16 proposing an amendment to Section 49-b, Article III of the Constitution of Texas so as to authorize the increase in the total amount of bonds or obligations that may be issued by the Veterans Land Board to Three Hundred Fifty Million Dollars (\$350,000,000.00); providing for the issuance of said bonds or obligations and the conditions relating to the sale and the use of the Veterans Land Fund; and providing for an extension and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas be amended so the same will hereafter read as follows:

"Section 49-b. By virtue of prior Amendments to this Constitution there has been created a governmental agency of the State of Texas performing a governmental function which has been designated the Veterans Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in the affairs of the State and one (1) of whom shall be well versed in finance. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years, but the date of expiration hereof shall complete the term to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement for the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature, and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

"The Veterans Land Board may provide for the issue and sale of extended Three Hundred Fifty Million Dollars (\$350,000,000.00) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans Land Fund. Two Hundred Million Dollars (\$200,000,000.00) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for not less than par value and interest shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law. All moneys becoming a part of said Fund thereafter shall be deposited to the credit of the General Revenue Fund.

Proposed CONSTITUTIONAL AMENDMENT NUMBER FOUR ON THE BALLOT

chapters, be inestimable and shall constitute general obligations of the State of Texas under the Constitution of Texas, and all bonds hereafter issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds.

"Said Veterans Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price thereof, together with any interest and penalties due, have been received by said Board (although nothing herein shall be construed to prevent said Board from requesting full payment for a portion of any tract), and of the moneys attributable to any lands heretofore or hereafter issued and sold by said Board which moneys so attributable shall include but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with said moneys; the moneys received from the sale or resale of any lands, or rights therein, purchased with other moneys attributable to said bonds; the interest and penalties received from the sale or resale of such lands, or rights therein; the moneys, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of interest on such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with other moneys attributable to said bonds; the interest and penalties received from the sale or resale of such lands, or rights therein; the moneys, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of interest on such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with other moneys attributable to said bonds; CARD OF THANKS

CARD OF THANKS: Our hearts overflow with sincere appreciation for all who expressed their love and sympathy in so many comforting ways during our recent sorrow. We are deeply grateful to all of you who sent food, flowers and cards.
The Huling Family

AUSTIN, Tex.—Texas Legislative Council, research agency for the Legislature, is in curious position of being asked to take a close look at the ethical standards of its own boss.

Council, meeting in Austin, agreed on a proposed study of conflict of interest questions affecting State officials and employees. Gov. John Connally and Atty. Gen. Waggoner Carr suggested the study as a result of investigations into the private business affairs of former Railroad Commissioner W. J. Murray Jr.

A Travis County grand jury found Murray innocent of any violation of criminal laws during his terms of office. Carr observed in a later report that the Murray case raised "a serious question of a conflict of interest" between official duties and private interests.

Carr's report said Murray grossed \$1,700,000 during his 16 years on the Commission—most of it from oil and gas ventures. Attorney general recommended "adequate laws" to control "any deviations from (ethical) standards."

Council will be responsible for conducting research and investigation of possible conflict of interest cases among all State officials—including the lawmakers themselves—with a view toward "improving our present code of ethics."

MORE REPUBLICANS? — Another action by the Legislative Council had interesting "two party" implications.

Rep. Bob Johnson of Dallas was named executive director of the Council, succeeding Read Granbury who died last year. Johnson has resigned his Dallas legislative post to accept the \$15,500-a-year assignment—creating still another vacancy in the eight-man Dallas delegation to the House of Representatives.

This leaves only one Democrat, Rep. Ben Atwell, lined up against the six incumbent Republicans.

Dallas Republicans surprised themselves and stunned Democrats last year by winning all the legislative races they entered. Speculation then was that the three remaining Democrats on the Dallas delegation—Reps. Bob Hughes, Johnson and Atwell—would be in for a rough 1964 general election should Dallas Republicans oppose them, and even rougher time if it if Barry Goldwater were chosen to head the GOP ticket as presidential nominee.

Hughes recently resigned his legislative post to accept appointment to a judgeship. This caused more speculation about a possible 1964 election sweep by the Dallas Republican organization.

Johnson's resignation has intensified the "Republican sweep" fears.

GRAM COURSE ON ANNEXATION — Texas Municipal League will conduct a special one-day "institute" in Austin on August 5. It will be a gram course for Texas municipal officers on the new law limiting city annexations.

William Olson, attorney for the League, will moderate a question-and-answer program, followed by a panel discussion featuring Mayor James McCrocklin of Kingsville, City Manager H. P. Clifton of Abilene, Planning Director William Anderson of Corpus Christi, and Steve Matthews, executive director of the League.

New law takes effect on August 23. But a provision in the Act requires that annexations pending or initiated after March 15 (1963) must meet terms set out in the measure.

CARD OF THANKS

We would like to express our thanks to the medical and nursing staff of Hamlin Hospital for their wonderful care and sincere concern during Odie's illness.

In this time of sorrow we are humbly grateful to those who brought food and to those who were so kind to sit up at the hospital and funeral home. Our gratitude is also expressed for the floral offerings, words of sympathy and every deed of kindness.

Mrs. O. C. Freeman, and family.

Furthermore these in-the-works annexations must be completed by November 23 or become null and void.

RAPID ERADICATING — Few eradication programs have produced such prompt and effective results as the U. S. Department of Agriculture's eradication plan.

A year ago scientists and field workers started the "saturation" release of sterilized flies to conquer screw-worm pollution explosion.

Texas Animal Health Commission reported only 28 screwworm cases confirmed in a 5-day period—as opposed to nearly 3,000 cases recorded a comparable period in 1962.

As further encouragement, the Commission noted that of last week's 28 reported cases, only five were in areas where the program's "controls" were in full effect.

Holland Family Reunion Held Here in July

A family reunion was held in July in the home of Mrs. Pearce Holland when all of her six children and their families were together for the first time in eight years.

The pioneer resident of the Hamlin, Mrs. Holland is the daughter of the late Mr. and Mrs. T. B. Cooper, early day ranchers in Fisher County.

The children and their families present were: W. W. Holland of Simi, California; T. L. of Woodland, California; Rev. and Mrs. John Ray Holland, Brad, Jan, and Bart of Woodburn, Oregon; Mr. and Mrs. P. G. Holland, Butch, John Orville and Pearce, of Hamlin; Mrs. W. B. Berry and children, Mr. and Mrs. Martin Jorden of Hamlin, Mr and Mrs. Jerry McCright and Todd of Roby; Mr. and Mrs. S. C. Hollis and children, Debra Sue, Mr. and Mrs. Sammy L. Rackley of Rotan.

Rev. Holland is pastor of the Foursquare Gospel Church in Woodburn.

Mrs. Holland's sister, Mrs. Lucy B. Williams, and other relatives and friends visited with the family.

Top o' Texas Rodeo Opens August 20

The 19th Annual Top o' Texas Rodeo will officially open on Tuesday, August 20, with the Kid Pony Show scheduled for that afternoon and night.

The rodeo proper will begin Wednesday, August 21, with performances at 8:00 p.m. daily through August 24. A giant street parade will be held on Wednesday at 3:00 p.m., led by the Amarillo Air Force Band.

Beutler Bros. of Elk City, Oklahoma, the nations foremost rodeo producers and livestock contractors, will have some 300 head of their wild bucking horses and bulls in Pampa to test the ability of top cowboys. Contesting under the rules of the Rodeo Cowboys Ass'n., the cowboys will vie for \$3,500.00 in prize money plus all entry fees. A purse of \$300.00 will be added to entry fees for the G. R. A. Barrel Race. Cy Taillon, prominent rodeo announcer, of Denver, Colorado will be at the microphone.

An exhibition of freestyle skydiving and parachute jumping will take place over the rodeo grounds at 7:30 p.m. each night. Featured during the show will be the famous Zoppe-Zavattas Troupe of Rochester, Indiana with their Rosen Back Riding and comedy acts.

Hamlin Police Department Featured in Magazine

(This article, written by Bob Craig, publisher of the Hamlin Herald, was published in the July issue of Southwest Law, an official publication of the Law Enforcement Officers Association of Texas.)

A modern, efficient police department operated on Christian principles is the goal of Frank Chapman, Hamlin police chief and minister of the Palava Baptist Church. And during his 14 months administration, Chapman has made many changes that bring the department nearer his goal.

"The unique arrangement of pastor and chief causes many people to ask Chapman how a combination such as this

FRANK CHAPMAN

works out. His answer is usually that he preaches "The Way of Life" on Sunday and "The Signs of Life" the other six days a week. He hastens to add, "What better place can I find the people that need the help of a minister?"

Chapman feels that any Police Department should be operated by men of Christian principles because this type of work goes hand and hand with the work of ministers and Christian laymen. He says, "Because they work to enforce the law they should be the example for everyone else."

In his efforts to have a modern department, Chapman has seen the organization move from its former over crowded one room office to larger quarters. The new upstairs location includes three rooms with a room for the radio and dispatcher, a traffic and record room and an office for the chief.

During his past 14 months he has added another man to the department that works relief duty for both the patrolmen and the dispatchers.

The city of just under 4,000 population now has two patrol cars—one for regular patrol and the other for the use of the chief. Since the chief is on 24 hour call and does not have a regular beat to cover,

except when he is working relief, he says the unpredictable movement of this car has proven very effective.

At the present time the seven man department, which includes the three dispatchers who handle both police and fire calls, has two police dogs being trained by Officer Herman Stokes of the Abilene Police Department with one of the dogs due to complete his training by July 15.

In relation to the department's efficiency, probably the biggest changes have been made in the records division. This includes filing systems, maps, daily reports, etc. The newest of these is a Daily Patrol Report Sheet which each patrolman fills in at the end of his shift. With these, Chapman can have a better understanding of where his trouble spots are and make an effort to eliminate them.

Chapman believes that a warning ticket is much more effective than for his patrolmen to reprimand an offending motorist, therefore it is the department's policy to issue either a ticket or warning ticket for every moving violation. These warning tickets are filed and are checked whenever a ticket is issued and, if an offender has a warning ticket on file when he receives a ticket, both tickets go to the City Judge.

A map of the city is kept by the department that locates every wreck within the city and when trouble spots show up on the map Chapman handles with the Police commissioners and the Street Superintendent in an effort to remove the hazard.

When asked if he felt that these changes were producing the results he was after, Chapman said, "We feel like the added patrolman, police dogs and extra car have kept down the downtown burglaries. We have not had a break-in in the downtown area in almost a year."

Not only is Chapman concerned about the efficiency of

his department, but he is also concerned about its image in the eyes of the public. He wants to have a department that people will be proud of and he welcomes guests to visit in the office at anytime.

An emergency phone system is being set up now whereby one man calls two men they in turn call two each and in a matter of minutes the entire force is alerted. Work is in the process of constructing equipment for use in drownings.

Chapman attributes his training for police work from Midland Police Chief Harold Wallace, who he says is one of the finest Christian men he has ever known.

Chapman came to Hamlin three years ago as full-time minister of the Sunset Baptist Church here and worked relief duty for the department for about a year before becoming chief. Since that time he has become pastor of the Palava Baptist Church which is located about 30 miles Southwest of Hamlin.

All of the changes within the department by Chapman fit right in with the progressive attitude of the businessmen of Hamlin as a major wave of store remodeling has

Three Local Girls Attending Camp

Celia, Susan and Harriet Martin and Libby Johnson are at Camp Arrowhead, a private camp for girls located in the hill country near Hunt, where they are spending the second five-week term of the summer.

Celia, Susan and Harriet are the daughters of Mr. and Mrs. Fred C. Martin. Celia is spending her third summer at Camp Arrowhead, Susan at camp for second summer, and Harriet is new to camp this year.

Libby, the daughter of Arnold E. Johnson of Hamlin, is a graduate of McMurtry College in Abilene. She is a riding instructor at the camp.

Some of the many activities in which campers participate are swimming, diving, canoeing, horseback riding, archery, riflery, tennis, tumbling, campcraft, handcraft, dancing, dramatics, chorus, modeling and journalism.

These girls will return home on August 14 after the final activities of the camp.

Area Residents Attend Maberry Reunion July 28

Descendants and friends of the late David and Myra Maberry attended the annual all-day reunion of the Maberry family held at the American Legion Hall in Sweetwater on Sunday, July 28.

The morning was spent in visiting and viewing of old and recent photographs of past Maberry reunions, including one of the first annual reunions held in 1908 in the John Lewis Maberry pasture. Many descendants of this group were at this years reunion.

Luther Maberry, president of the group, presided over the business meeting. It was decided by the group that the 1964 reunion be held in Sweetwater on Aug. 2. Officers re-elected for the 1964 year were:

Letter to Editor

Hamlin Herald
Hamlin, Texas
Dear Sirs:

I certainly appreciated your complimentary copy of the Herald for us patients at the hospital. Being a teacher myself, I especially delighted in the fine article about Mr. T. C. Blanginship, even though I do not know him personally. I am acquainted with Mrs. Charles Connally, Mrs. Earl Brown, Mrs. O. C. Freeman, Mrs. Robert Scott, and Coach D. C. Andrews. I taught D. C. for several years in the Longworth School, and found him to be a good lively student. It pleases me greatly to see him doing well in Hamlin.

Thank you for your "newsy" paper.

Very truly yours,
Mrs. Bruce McCain.

PLANS BEING MADE FOR ASC COMMITTEEMEN ELECTION

Plans are now being made for the holding of the annual election of ASC Committeemen, R. E. Rowland, County Office Manager of Jones County Agricultural Stabilization and Conservation Service, advised this week.

The election will be held by mail as has been the case for the past years. For the purpose of the election the County is divided into four communities designated as Communities A, B, C, and D, the boundaries of which correspond to the boundaries of County Commissioner Precinct Numbers 1, 2, 3, and 4, respectively.

The names to be placed on the ballots to be used by producers in voting in each of the four communities will be those nominated by petition signed by six or more eligible voters in the respective community for which the nominee is selected, and those nominated by the incumbent community committeemen as required of

as it is determined desirable. The incumbent County Committeemen may make such additional nominations as are required or as it determines are desirable.

Nominees selected by petition must be presented to the ASCS Office in Anson not later than August 20, 1963.

All nominees must be eligible and should be willing to serve if elected. It is highly desirable that nominees be currently active farmers or ranchers who are best qualified for community work and who will be representative of the various sections and types of agriculture in the community. If nominees are found to be ineligible such nominees will be notified as to the circumstances which make them ineligible and such nominees will be given the privilege of appealing to the County Committee not later than a date to be specified in the notice of ineligibility.

Ballots for each community, bearing the names of at least six nominees, will be prepared and mailed to all producers of record at least ten days prior to September 10, 1963, the final date by which ballots may be postmarked or returned to the County ASCS Office in person.

The five nominees in each community who receive the highest number of votes will be declared elected. The nominee who receives the highest number of votes in each of the four communities will serve as chairman of the respective community committee and will also serve as a delegate in electing the county committee. The nominees in each community who receive the second and third highest votes shall be declared elected, respectively, vice-chairman and regular member of the community committee. The nominees who receive the fourth and fifth highest number of votes shall be declared elected, respectively, first and second alternate community committeemen.

The newly elected committeemen will begin their one-year term of office on October 1, 1963.

This election is important to all farmers and ranchers, says Rowland, as committeemen are being called upon to assume more and more responsibility each year in the administration of the varied farm programs.

The incumbent community committeemen are: Community "A"—Larry L. Holmes, Chairman; Tony D. Jones, Vice-Chairman, and James E. McCoy Jr., Regular member. Community "B"—Carl E. Carlton, Chairman; Jack E. Young, Vice-Chairman; and John B. Schoonmaker, Regular member. Community "C"—Mack R. Collins, Chairman; Elbert E. Newton, Vice-Chairman, and J. Willard Sellers, Regular member. Community "D"—Walter H. Kelso, Chairman; Geo. T. (Sam) Washburn, Vice-Chairman, and Frank F. Carter, Regular member.

Campfire Plans Swimming Camp Here Next Week

The Campfire Swimming Camp will be held here Monday through Thursday for all Hamlin Campfire and Bluebird girls. The swimming session will be taught by three qualified instructors assisted by five local girls who have passed their junior life saving rank.

The girls will swim at the local pool in groups that they were in when school closed in the spring. The leaders will also be assisted in the camp.

From 8:30 to 9:30 the fourth grade will take instructions. The second and sixth grades will meet from 9:30 to 11:30.

The junior life savers are Jane Ferguson, Sue Johnson, Margaret Ann Johnson, Gloria and Judy Jenkins and Lynn Brannon.

The girls will register at 8:15 a.m. Monday. Cards were mailed to all of the girls this week to be returned at registration.

HAMLIN RIDING CLUB PLANS POLE BENDING CONTEST SAT.

The women will take the over 12 group was topped by June Elmore with 19.8, followed by Yvonne Newland with 20.7 and Sharee Nail with 21.5. John Holland was first in the flag race with 11 seconds. Pearce Holland with 11.7 was second, and Sharee Nail was third with 11.8.

Debbie Elmore led the pole bending winners with 22.8. Second was Jane Ferguson with 23.2 and third was Pearce Holland with 25.8.

Bryce Fowler was top bull rider in the 12 and under division. Joe Jameson was second and Ricky Crowley was third. In the older group John O. Holland turned in the best ride.

Buck Craft teamed with Pearce Holland as the runner took first in the ribbon roping with 19 seconds. Billy McIlwain and Miss Holland placed second with 22.4. Third was T. W. Fleniken with Jo Lynn Johnson with a time of 23.

Gregg Perrin latched on to the greased pig and received the dollar prize money.

The riding club is having the family night activities every Saturday night during August at 8 o'clock in the local arena. The public is invited and there is no admission.

HAMLIN REBELS WIN OWN SOFTBALL TOURNEY SATURDAY

The Hamlin Rebels won their tournament this week end by defeating Ribert Lee 5-4.

Bobbie Smith was the winning pitcher with the help of Kay Hodnett's three hits for four trips to the plate. The Rebels also led in placing the all tournament team with three. The pitcher Bobbie Smith, shortstop Judy Jenkins and rightfielder Mrs. Roy Thompson.

Earlier Saturday evening Hamby won consolation when they beat the Snyder Yellow-jackets 16-6. Marcy Gaona was the losing pitcher and Brenda Jackson was the winning pitcher for Hamby.

Friday night the Rebels advanced to the semi-finals when they gave the Snyder Yellow-jackets their first defeat in two years. Hodnett led the

Rebels in batting and scoring, with five hits for six trips and four runs. Lola Miltstead was injured when she slid into third base and was not able to play in the rest of the tournament.

Roscoe's Sluggers and the Hamlin Scrubs played extra innings Friday night with Roscoe coming from behind in the eighth inning to win 22-16.

In the first round of play Saturday morning Abilene beat Hermleigh with a fifteen hit attack. Hermleigh had nine hits for 5 runs to Abilene's 10 runs.

Robert Lee beat Hamby Saturday afternoon 3-1. Robert Lee was backed by the great defense of their third baseman, Dot Collins.

In the semi-final the Rebels beat Roscoe 10-0. Snyder beat the Hamlin Scrubs 11-1. Hamby beat Hermleigh 8-5 and Robert Lee beat Abilene 8-2. The Rebels would like to thank those who furnished food for the concession stand, the umpires, score keepers and the announcers for taking their time to help with the tournament.

Cheerleaders and Majorettes Attend School at SMU

Cheerleaders Barbara Lakay, Phyllis Scharborough and Nancy Ford and majorettes Patricia Harkey, Barbara Graham and Junie Jordan left Sunday morning to attend the cheerleading and twirling school on the SMU campus in Dallas. They will return Friday.

The pep squad and any new members are to meet in front of the high school Monday, August 12, at 4:00 p.m. They will practice marching and yell line. They will also decide on their regular time for practice until school starts.

DR. CLIFTON BRANNON
...First Baptist evangelist

First Baptist Revival to Open For Week Sunday

Dr. Clifton Brannon of Longview will be the evangelist for the August 11-18 revival at the First Baptist Church. Services will be held daily at 9:30 a.m. and 8 p.m.

Dr. Brannon, a former lawyer, has been traveling as an evangelist for more than 500 revivals among Southern Baptist Churches in which more than 28,000 new members have been added to the churches. His ministry is made possible by a great Christian layman in High Point, North Carolina.

Mrs. Brannon assists her husband in the revivals. She teaches Personal Soul winning, directs the women in visitation and one service is devoted entirely to her life story.

Evangelist Brannon designed and authored the notes and helps in the Soul Winner's New Testament and the 10 references in the Personal Workers New Testament. More than 600,000 copies of the publication are now in print and predictions indicate that more than a million copies will soon be distributed.

The pastor, Rev. Lenard Hartley, and the congregation extend an invitation to everyone to attend the services.

S. L. Tate, music-education director, will direct the song service.

Summer Band School to Start Here August 19

The annual high school Summer Band School will begin here Monday, August 19, and will run for two weeks, according to an announcement this week by Tim Jones, band director.

The school will start at 8 a.m. each day with the first session to be held at the practice field. The band will march from 8 to 9 each morning and sectional clinics will be held from 9 to 11. The full band will rehearse from 11 to 12.

The summer band students will have a swimming party Tuesday night, August 20 at the Hamlin Swimming Pool starting at 6:30.

Mr. Jones invited any new high school students that have moved to Hamlin during the summer that are interested in being in the band this fall to take part in the summer band.

HOMECOMING QUEEN NOMINEES ANNOUNCED BY EX-STUDENTS

Nominees for Homecoming Queen have been named by the Hamlin Ex-Student Association officers as plans are now getting into full swing for the annual event to be held September 21.

Letters are being mailed this week to former students telling the schedule of activities and also giving the exes a chance to vote for the candidate of their choice for the queen.

The nominees are Mrs. Carl Holden of Abilene, formerly Hattie Routh of the class of 1917; Mrs. Vancil Mitchell of Midland, formerly Gladys Childers, 1926; Mrs. Weldon

Johnson, formerly Bernice Fairry, 1933; Mrs. Pete Bond, formerly Mavis Smith, 1938; Mrs. Bill Harbert, formerly Jo Anne McCrary, 1945; Mrs. Joe Weir of McAllen, formerly Lupe Cave, 1948; Mrs. Hardy Turnbull of Snyder, formerly Rose Brady, 1951; Mrs. Ray Davis of Greenville, formerly Margot Faye Patterson; Mrs. Kenneth Barnett of Abilene, formerly Linda Carlton.

The Queen will be crowned during halftime activities of the Hamlin-Spur football game Saturday evening at 8 p.m. Other plans include a bonfire and pep rally on Friday evening at 8 at the football stadium. The parade will be held at 11 a.m. Saturday followed by lunch in the high school gymnasium.

The business meeting and program will be held in the auditorium at 1:30 p.m.

The evening meal will be served from 5:30 to 6:30 p.m. in the gymnasium. Coffee and visiting will also be in the gymnasium following the game.

The officers met Monday evening. It was announced that there are still some of the ex-student directories available for \$1.00 with 20c for postage and handling.

Another feature of the Homecoming discussed was the special recognition of former high school queens during the program. Anyone who has been a high school queen and plans to attend is asked to send their name and the year they were queen to the Ex-Student Association, Box 323, Hamlin, Texas, 79520.

The officers are also requesting that correct addresses be sent in to them so that their mailing list will be accurate. If you know of a change of address, yours or some other person's, they ask that you please send it in.

The next meeting will be August 13 at 7:30 p.m. in the Oil Mill guest house.

Mr. and Mrs. DeVaughn Carrigan of Route 2 are the parents of a baby girl born August 6. She weighed 7 lb. 8 oz. and was named Melissa Rose.

The maternal grandfather is S. C. Fudge of Sweetwater and the paternal grandfather is C. L. Stinnett of Hamlin.

139 WELLS DRILLED IN JONES COUNTY DURING PAST YEAR

With oil and gas production worth about \$16 million a year, Jones County citizens have a financial stake in the world wide demand for energy and the complex economic and political problems involving the petroleum industry, according to statistics released this week by Texas Mid-Continent Oil and Gas Association.

"We have pulled together some figures from the most authoritative sources so residents of Jones County can see how local pocketbooks are affected by some of the issues which involve our industry," said J. Clyde Tomlinson, Association president. "Issues of current concern include the proposals to cut percentage depletion rates, extension of federal controls over prices at which Texas producers sell their gas, and development of laws and production methods that will help Texas compete

with other states and nations for markets."

The latest year for which U. S. Bureau of Mines figures are available (1961) shows Jones County producing more than 5.3 million barrels of crude oil, valued at about \$15.8 million; and 1.7 billion cubic feet of natural gas, with a value of almost \$214.00. Jones ranks 68th among Texas counties in value of oil and gas production. In 1961 there were 1,871 producing wells in the county, according to the Texas Railroad Commission.

Although its first field was discovered 37 years ago, Jones County is the scene for the industry's continued search for oil and gas. Some 139 wells were drilled there last year, with 43 being wildcat exploratory wells, according to the Oil & Gas Journal. The Association estimated that more than \$23 million was spent

on drilling in the county this past year and that some \$1 million of this went for dry holes. Close to \$102,000 was spent last year on geophysical crews using seismic devices to probe the underground formations of Jones County for possible drilling locations.

Leasing adds many thousands of dollars to the county's economy. Tabulations by the International Oil Scouts Association show major companies in 1961 were paying rentals on about 16,000 undeveloped acres.

Royalty payments to Jones County farmers, ranchers and other landowners are running at more than \$2 million annually, the Association calculated.

Jones County producers and royalty owners also make a sizable contribution to the support of state government, with production tax payments of 2,500 barrels a day.

more than \$743,000 a year.

Industry taxes are important to the county government and school districts in the county. For instance, 58 per cent of the local property taxes collected for the Hamlin Independent School District comes from oil and gas operators; 31 per cent at Anson; 61 per cent at Lueders.

A sizable impact on the Jones County economy has been registered by petroleum industry payrolls. About one out of every five payroll dollars in the county is derived from employment in oil and gas work, according to figures from the Texas Employment Commission. The industry payroll is more than \$15 million a year.

One natural gasoline plant is operated in the county, handling some 20 million cubic feet of gas a day. There is one refinery with a capacity of 2,500 barrels a day.

Nothing new out this way where the weather and farming is concerned, just dry, and hot, and farmers busy combining maize. This week should finish the maize season for this year, except for the younger feed and if it continues to be dry and hot, that won't be any problem.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 5, 1963.
SENATE JOINT RESOLUTION NO. 10, proposing an amendment to Section 49-b, Article III of the Constitution of Texas so as to authorize an increase in the bond amount of bonds or obligations that may be issued by the Veterans' Land Board to Three Hundred Fifty Million Dollars (\$350,000,000.00), providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund and providing for the election and the issuance of a proclamation therefor.

WE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so the same will hereafter read as follows:

"Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in business. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall be appointed for terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigned member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

"The Commissioner of the General Land Office shall be the Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and conditions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that the Commissioner would have if present.

"The Veterans' Land Board may provide for, issue and sell not to exceed Three Hundred Fifty Million Dollars (\$350,000,000.00) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund. Two Hundred Million Dollars (\$200,000,000.00) of which have heretofore been issued and sold, such bonds or obligations shall be sold for not less than par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half percent (4½%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or pur-

chaser, be inconvertible and shall contain the following language: 'The State of Texas under the Constitution of Texas, and all bonds heretofore issued and sold by said Board are hereby declared to be a general obligation of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.'

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds.

"Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, authorized by any other bonds heretofore or hereafter issued and sold by said Board, and all other moneys and penalties due, have been received by said Board, without cost or charge, shall be contributed to said Board from accepting full payment for a portion of any tract, and of the moneys attributable to any lands heretofore or hereafter issued and sold by said Board which moneys so attributable shall in no case be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with such proceeds; the moneys received from the sale or resale of any lands or rights therein, purchased with other moneys attributable to such bonds; the interest and penalties received from the sale or resale of such lands or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from way of indemnity or forfeiture for the failure of any holder for the purchase of any such bonds to comply with his bid and accept and pay for such bonds or for the failure of any holder for the purchase of any bonds comprising a part of said Fund to comply with his bid and accept and pay for any such bonds; and interest received from investments of any such moneys. The principal and interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the moneys of said Fund in conformance with the Constitutional provisions authorizing such bonds. But the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes herein provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such as are needed to retire such bonds, shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund thereafter shall likewise be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and retained in said Division for the purpose of retiring all such bonds, may be used for the purpose of paying the

Mr. and Mrs. Bill Johnson, frequent visitors in our church from Hamlin, are on vacation in Alabama, visiting her sister, who lives near Birmingham.

Mr. and Mrs. John Beauchamp and Debra, were visitors of the Winslow Grays last Monday night.

Mr. and Mrs. Mel Jones visited with the Elmer Joiners Monday night.

It was with regret that we learned Tuesday of the passing away of Oddis Huling, resident of Hamlin, in the veterans hospital in Big Spring. Oddis was reared in our community and lived here until his parents moved to Hamlin in about 1921, according to our calculations. The many beautiful floral offerings and friends attending the last rites, attested to the fact that he left many friends, who will miss his smiling face when they go to town.

Dorothy Gray, who is attending beauty school in Amarillo, is spending the week at home.

Linda Goodwin has been chosen by the Friendship Home Demonstration Club, to represent them in the Queens contest, at the Jones County Fair, to be held the 23rd and 24th of this month.

Mrs. Lois Hampton, Abilene, attended funeral services for Oddis Huling, Thursday afternoon. Her brother, R. E. Ray, was one of the pallbearers. The Ray and Huling children were reared in our community at the same time.

The Social Security Administration and U. S. Treasury Department suggest that you cash your social security check each month as soon as possible after you receive it. By doing so, you lessen the danger of it being lost, misplaced, or stolen.

If you lose your social security check or have it stolen, be sure to notify your nearest social security office at once. Failure to do so may result in a long delay in receiving a replacement.

SAFETY ASSOCIATION ISSUES

'WATER SAFETY ALERT'

AUSTIN, TEX.—The Texas Safety Association today issued a "water safety alert" warning the public of potential water hazards and citing an apparent increase in drownings.

"Drowning is the fourth leading cause of accidental death in Texas, with approximately 300 fatalities a year," J. O. Musick, TSA General Manager, said.

"Reports for the past six weeks indicate an increase in the number of drownings over the same period last year, and unless water enthusiasts start putting safety first, fatalities will continue to increase."

Noting that many drownings are occurring in lakes, the safety director said anyone planning to swim, boat or water ski on a lake, should familiarize himself with the hazards of that particular body of water.

He also stressed that it is not just the persons who are already "in the water" who drown.

"Nearly two out of three drownings in the nation are non-swimming deaths — people fall into water from rocks, bridges and shores. Small children step into deep water when wading and some fall out or may be thrown from boats," Musick explained.

"Of course, the first and most important thing to do to prevent drowning is for everybody to learn to swim, and if you are going to enjoy water recreation with any degree of safety, this is a 'must'."

He said anyone going "near the water" should remember and practice these basic rules:

1. Keep an eye on small children.
2. Never go swimming alone.
3. Choose a safe place to swim, with clear water, know the depths, tides and currents.
4. Non-swimmers should stay in shallow water.
5. For the home pool or farm pond, build a fence around it with a gate that will lock to protect small children.
6. When launching your boat,

take special precautions to see that the boat does not pull your car into the water before you get it off the trailer.

7. Carry a life preserver for every person in your boat and see that it is worn.

8. Keep right when driving a boat and be courteous to other boatmen.

9. When water-skiing, stay away from all objects, such as docks, sea walls and other boats.

10. Have one extra person in a boat when water-skiing at all times. This person can watch the skier and the driver can watch the traffic.

STATE CAPITALS Highlights AND Sidelights by Vern Sanford

TEXAS PRESS ASSOCIATION

AUSTIN, Tex.—Texas Legislative Council, research agency for the Legislature, is in curious position of being asked to take a close look at the ethical standards of its own boss.

Council, meeting in Austin, agreed on a proposed study of conflict of interest questions affecting State officials and employees. Gov. John Connally and Atty. Gen. Waggoner Carr suggested the study as a result of investigations into the private business affairs of former Railroad Commissioner W. J. Murray Jr.

A Travis County grand jury found Murray innocent of any violation of criminal laws during his terms of office. Carr observed in a later report that the Murray case raised "a serious question of a conflict of interest" between official duties and private interests.

Carr's report said Murray grossed \$1,700,000 during his 16 years on the Commission—most of it from oil and gas ventures. Attorney general recommended "adequate laws" to control "any deviations from (ethical) standards."

Council will be responsible for conducting research and investigation of possible conflict of interest cases among all State officials—including the lawmakers themselves—with a view toward "improving our present code of ethics."

MORE REPUBLICANS? — Another action by the Legislative Council had interesting "two party" implications.

Rep. Bob Johnson of Dallas was named executive director of the Council, succeeding Read Granbury who died last year. Johnson has resigned his Dallas legislative post to accept the \$15,500-a-year assignment—creating still another vacancy in the eight-man Dallas delegation to the House of Representatives.

This leaves only one Democrat, Rep. Ben Atwell, lined up against the six incumbent Republicans.

Dallas Republicans surprised themselves and stunned Democrats last year by winning all the legislative races they entered. Speculation then was that the three remaining Democrats on the Dallas delegation—Reps. Bob Hughes, Johnson and Atwell—would be in for a rough 1964 general election should Dallas Republicans oppose them, and even rougher time of it if Barry Goldwater were chosen to head the GOP ticket as presidential nominee.

Hughes recently resigned his legislative post to accept appointment to a judgeship. This caused more speculation about a possible 1964 election sweep by the Dallas Republican organization.

Johnson's resignation has intensified the "Republican sweep" fears.

GRAM COURSE ON ANNEXATION — Texas Municipal League will conduct a special one-day "institute" in Austin on August 5. It will be a cram course for Texas municipal officers on the new law limiting city annexations.

William Olson, attorney for the League, will moderate a question-and-answer program, followed by a panel discussion featuring Mayor James McCrocklin of Kingsville, City Manager H. P. Clifton of Abilene, Planning Director of Abilene, Anderson of Corpus Christi, and Steve Matthews, executive director of the League.

New law takes effect on August 23. But a provision in the Act requires that annexations pending or initiated after March 15 (1963) must meet terms set out in the measure.

CARD OF THANKS

We would like to express our thanks to the medical and nursing staff of Hamlin Hospital for their wonderful care and sincere concern during Odie's illness.

In this time of sorrow we are humbly grateful to those who brought food and to those who were so kind to sit up at the hospital and funeral home. Our gratitude is also expressed for the floral offerings, words of sympathy and every deed of kindness.

Mrs. O. C. Freeman, and family.

Furthermore these in-the-works annexations must be completed by November 23 or become null and void.

RAPID ERADICATION — Few eradication programs have produced such prompt and effective results as the U. S. Department of Agriculture's eradication plan.

A year ago scientists and field workers started the "saturation" release of sterilized flies to conquer screw-worm pollution explosion.

Texas Animal Health Commission reported only 28 screw-worm cases confirmed in a 5-day period—as opposed to nearly 3,000 cases recorded a comparable period in 1962.

As further encouragement, the Commission noted that of last week's 28 reported cases, only five were in areas where the program's "controls" were in full effect.

Holland Family Reunion Held Here in July

A family reunion was held in July in the home of Mrs. Pearce Holland when all of her six children and their families were together for the first time in eight years.

The pioneer resident of the Hamlin, Mrs. Holland is the daughter of the late Mr. and Mrs. T. B. Cooper, early day ranchers in Fisher County.

The children and their families present were: W. W. Holland of Simi, California; T. L. of Woodland, California; Rev. and Mrs. John Ray Holland, Brad, Jan, and Bart of Woodburn, Oregon; Mr. and Mrs. P. G. Holland, Butch, John Orville and Pearce, of Hamlin; Mrs. W. B. Berry and children, Mr. and Mrs. Martin Jorden of Hamlin, Mr. and Mrs. Jerry McCright and Todd of Roby; Mr. and Mrs. S. C. Hollis and children, Debra Sue, Mr. and Mrs. Sammy L. Rackley of Rotan.

Rev. Holland is pastor of the Foursquare Gospel Church in Woodburn.

Mrs. Holland's sister, Mrs. Lucy B. Williams, and other relatives and friends visited with the family.

Top o' Texas Rodeo Opens August 20

The 19th Annual Top o' Texas Rodeo will officially open on Tuesday, August 20, with the Kid Pony Show scheduled for that afternoon and night.

The rodeo proper will begin Wednesday, August 21, with performances at 8:00 p.m. daily through August 24. A giant street parade will be held on Wednesday at 3:00 p.m., led by the Amarillo Air Force Band.

Beutler Bros. of Elk City, Oklahoma, the nations foremost rodeo producers and livestock contractors, will have some 300 head of their wild bucking horses and bulls in Pompa to test the ability of top cowboys. Contesting under the rules of the Rodeo Cowboys Ass'n., the cowboys will vie for \$3,500.00 in prize money plus all entry fees. A purse of \$300.00 will be added to entry fees for the G. R. A. Barrel Race, Cy Tailon, Denver, Colorado will be at the microphone.

An exhibition of freestyle skydiving and parachute jumping will take place over the rodeo grounds at 7:30 p.m. each night. Featured during the show will be the famous Zoppe-Zavattas Troupe of Rochester, Indiana with their Rosen Back Riding and comedy acts.

Hamlin Police Department Featured in Magazine

(This article, written by Bob Craig, publisher of the Hamlin Herald, was published in the July issue of Southwest Law, an official publication of the Law Enforcement Officers Association of Texas.)

A modern, efficient police department operated on Christian principles is the goal of Frank Chapman, Hamlin police chief and minister of the Palava Baptist Church. And during his 14 months administration, Chapman has made many changes that bring the department nearer his goal.

The unique arrangement of pastor and chief causes many people to ask Chapman how a combination such as this

works out. His answer is usually that he preaches "The Way of Life" on Sunday and "The Signs of Life" the other six days a week. He hastens to add, "What better place can I find the people that need the help of a minister?"

Chapman feels that any Police Department should be operated by men of Christian principles because this type of work goes hand and hand with the work of ministers and Christian laymen. He says, "Because they work to enforce the law they should be the example for everyone else."

In his efforts to have a modern department, Chapman has seen the organization move from its former over crowded one room office to larger quarters. The new upstairs location includes three rooms with a room for the radio and dispatcher, a traffic and record room and an office for the chief.

During his past 14 months he has added another man to the department that works relief duty for both the patrolmen and the dispatchers.

The city of just under 4,000 population now has two patrol cars—one for regular patrol and the other for the use of the chief. Since the chief is on 24 hour call and does not have a regular beat to cover,

FRANK CHAPMAN

except when he is working relief, he says the unpredictable movement of this car has proven very effective.

At the present time the seven man department, which includes the three dispatchers who handle both police and fire calls, has two police dogs under training. Both dogs are being trained by Officer Herman Stokes of the Abilene Police Department with one of the dogs due to complete his training by July 15.

In relation to the department's efficiency, probably the biggest changes have been made in the records division. This includes filing systems, maps, daily reports, etc. The newest of these is a Daily Patrol Report Sheet which each patrolman fills in at the end of his shift. With these, Chapman can have a better understanding of where his trouble spots are and make an effort to eliminate them.

Chapman believes that a warning ticket is much more effective than for his patrolmen to reprimand an offending motorist, therefore it is the department's policy to issue either a ticket or warning ticket for every moving violation. These warning tickets are filed and are checked whenever a ticket is issued and, if an offender has a warning ticket on file when he receives a ticket, both tickets go to the City Judge.

A map of the city is kept by the department that locates every wreck within the city and when trouble spots show up on the map Chapman handles with the Police Commissioner and the Street Superintendent in an effort to remove the hazard.

When asked if he felt that these changes were producing the results he was after, Chapman said, "We feel like the added patrolman, police dogs and extra car have kept down the downtown burglaries. We have not had a break-in in the downtown area in almost a year."

Not only is Chapman concerned about the efficiency of

his department, but he is also concerned about his image in the eyes of the public. He wants to have a department that people will be proud of and he welcomes guests to visit in the office at anytime.

In an effort to keep the office where women and children can visit at anytime, a "Kangaroo Court" has been set up and anytime a member of the department says a word that he would not want to say in front of a woman or child he is fined 25 cents. The money goes into the coffee fund and Chapman says that they usually have plenty of money for coffee.

Chapman's newest project is an auxiliary police force to be used for civil defense work, tornado warning, drownings, and anytime there is a need for extra men. A network of Citizens Band Radios is being set up with one in the dispatcher's office and at the present time in seven cars belonging to volunteers.

An emergency phone system is being set up now whereby one man calls two men they in turn call two each and in a matter of minutes the entire force is alerted. Work is in the process of constructing equipment for use in drownings.

Chapman attributes his training for police work from Midland Police Chief Harold Wallace, who he says is one of the finest Christian men he has ever known.

Chapman came to Hamlin three years ago as full-time minister of the Sunset Baptist Church here and worked relief duty for the department for about a year before becoming chief. Since that time he has become pastor of the Palava Baptist Church which is located about 30 miles Southwest of Hamlin.

All of the changes within the department by Chapman fit right in with the progressive attitude of the businessmen of Hamlin as a major wave of store remodeling has

struck from one end of the business district to the other during this same period, with store after store taking on a new modern look.

At the present time there is a \$200,000.00 rest home under construction, a new motel going up, and row after row of new homes have been built within the past three years with eight or ten under construction at the present time.

During the past two years two of the town's churches have had major building programs and another one is about ready to start. The Junior Chamber of Commerce has constructed a nine hole miniature golf course in the City Park with present plans calling for an addition of nine more holes. Facilities at the swimming pool, also in the park, have been improved this year.

So, inspite of all the long hours Chapman puts in trying to bring his department up to date, he has a hard time just keeping up with the growing needs of the town.

Area Residents Attend Maberry Reunion July 28

Descendants and friends of the late David and Myra Maberry attended the annual all-day reunion of the Maberry family held at the American Legion Hall in Sweetwater on Sunday, July 28.

The morning was spent in visiting and viewing of old and recent photographs of past Maberry reunions, including one of the first annual reunions held in 1908 in the John Lewis Maberry pasture. Many descendants of this group were at this years reunion.

Luther Maberry, president of the group, presided over the business meeting. It was decided by the group that the 1964 reunion be held in Sweetwater on Aug. 2 Officers re-elected for the 1964 year were:

Luther Maberry of McCauley, president; Albert Maberry of Trent, vice president; Ray Maberry of McCauley, second vice president; Patsy Maberry Hamric of Rotan, secretary and reporter.

THE HAMLIN HERALD

AUGUST 8, 1963

Letter to Editor

Hamlin Herald
Hamlin, Texas
Dear Sirs:
I certainly appreciated your complimentary copy of the Herald for us patients at the hospital. Being a teacher myself, I especially delighted in the fine article about Mr. T. C. Blanginship, even though I do not know him personally. I am acquainted with Mrs.

Charles Connally, Mrs. Earl Brown, Mrs. O. C. Freeman, Mrs. Robert Scott, and Coach D. C. Andrews. I taught D. C. for several years in the Longworth School, and found him to be a good lively student. It pleases me greatly to see him doing well in Hamlin.
Thank you for your "newsy" paper.
Very truly yours,
Mrs. Bruce McCain.
